Memo No. ER-DMC-CBO-2018/6518
Chandigarh, dated 06/05/2018

To

All the Divisional Commissioners and Deputy Commissioners in the State

Subject: Bad Weather warning (thunder storms with squall and hail) issued by IMD for Haryana

I am directed to convey that IMD has issued bad weather warning for northern states including Haryana for 7th and 8th May 2018.

“Thunderstorm accompanied with squall and hail very likely at isolated places over Jammu & Kashmir, Himachal Pradesh, Utarakhand and Haryana, Chandigarh & Delhi.”
– IMD.

In view of the heavy damage to life and property occurring due to bad weather last week on 3rd May 2018 across the northern states, you are advised to be well prepared and do the following:

1. Ensure proper information (with IMD updates) to the general public regularly, beginning today. Activate district disaster helpline 1077.
2. Convey bad weather warning to all the grassroot level Govt. functionaries and Panchayati Raj Institutions/Urban Local Bodies etc.
3. Keep search and rescue teams on standby
4. Keep water and power utilities personnel on standby for restoration work
5. Issue press notes regularly

State Control Room shall be kept informed of all the events on account of thunderstorms, hailstorms, damage to life and property in the districts. SEOC details are- 0172-2545938 and sdmaharyana@gmail.com.
